Continuation of Substance of Interview including description of the general nature of what was discussed: On 09/09/2004 Examiner initiated the phone call to Mr. Laut for canceling claims 1, 2-4 and 6-21 (wherein independent claim 1 was amended) so claims 5 and 20-25 can be allowed (amended independent claim 5 now includes the allowable subject matter, as stated in the last office action) for the compact prosecution. Examiner also suggested that there might be a possible restriction or final rejection if applicant fails to cancel above claims. On 10/14/2004 Mr. Laut called the Examiner Patel to confirm the cancellation of the above claims so claim 5 and its dependent claims can be allowed. .
